

Hexion to Raise Prices for Epoxy Resins in EMEA

January 7, 2010 10:20 AM ET

COLUMBUS, Ohio - (January 7, 2010) - Effective January 11th, 2010 or as contract terms allow, Hexion Specialty Chemicals will increase the prices of its liquid, solid and solution epoxy resin grades by 150 Euro/MT in Europe and 200 USD/MT in Middle East and Africa. This price increase is necessary because of the continued increases in raw material prices.

About Hexion Specialty Chemicals, Inc.

Based in Columbus, Ohio, Hexion Specialty Chemicals is the global leader in thermoset resins. Hexion serves the global wood and industrial markets through a broad range of thermoset technologies, specialty products and technical support for customers in a diverse range of applications and industries.
